

# W-350 HDS AUTOMATIC DUAL SIDE

The W-350 Heavy Duty Super Automatic Dual Side Sharpener may increase saw performance by improving tooth accuracy. Both sides of the tooth are sharpened in a single pass. Automatic operation reduces labor to a minimum. The W-350 HDS is our most accurate and productive W-350 side sharpener.

The W-350 HDS features heavy duty spindles, drives, motors, and "Lift-Off/Step-In Grind" which dramatically increases accuracy, speed, and machine life. Automatic saw diameter adjustment reduces setup time. The W-350 HDS makes sharpening of retipped saws efficient and cost effective.

# W-350 HDS AUTOMATIC DUAL SIDE

## Features

- FILTERED FULL FLOOD COOLANT
- PRECISION SPINDLE
- LOW VOLTAGE WORK LIGHT
- DIAL INDICATED SIDE ADJUSTMENTS
- 2 3/4 H.P. 3 PHASE SPINDLE MOTORS
- MULTI V BELT DRIVE
- IMPROVED WHEEL GUARDS
- MANUAL OR AUTO OPERATION
- GREATER ACCURACY
- LIFT OFF/STEP IN GRIND
- AUTO LOAD SAW LOCATOR
- HEAVY CONSTRUCTION

## Specifications

Circle saw size	6" TO 36"
Power Consumption	2 KW
Air	3 C.F.M. @ 80 P.S.I.
Voltage std.	230V 3PH 50/60
Ship Weight	1,375 LBS.
Crate Size	49" X 44" X 62"

MADE IN U.S.A.  
PRINTED IN U.S.A.  
1995

## Technical

Independently adjustable twin grinding heads with precision spindle and drive system are actuated by a hydraulic controlled pneumatic powered system. The saw indexer is simple to adjust. The saw is precisely positioned by a fixed ratchet finger. All tooth angles are easily adjusted allowing peak saw performance. Filtered coolant is delivered to the grind and held in place by the wheel guard's design improving accuracy, wheel life, work environment, and productivity. Lift off, step in, or standard grind modes are available at a flip of a switch giving best grind results on all types of saws.

Designed from the start to be a wet sharpener the W-350 keeps coolant and grinding particles away from moving parts increasing accuracy and machine life. Automatic operation reduces labor on full retips and the ability to operate manually makes single tip repair quick and easy.

The W-350 series has been proven to provide superior performance year after year.
